# what our clients say

"I have visited Lifehouse several times for a relaxing break to enjoy the spa, treatments and delicious food, little did I know that Lifehouse is so much more than just a spa.

On speaking with the Corporate Sales Manager, I discovered Lifehouse was available to host a number of activities for team building. I worked with them to organise the perfect event, we stayed for one night, had a fantastic three course dinner and the following day we took part in a morning of archery and an afternoon of clay pigeon shooting. Every detail was taken care of with transport from the station to the external activity companies, and not forgetting the correct amount of bottles on our wine order!

The staff at Lifehouse went above and beyond to ensure our event ran as smoothly as possible and their attention to detail was second to none.

I would highly recommend a visit, whether it be for a relaxing spa break or an adventure activity, Lifehouse can provide you with everything you need!"

Executive Assistant, Royal Bank of Canada "We recently had the pleasure of working with the team at Lifehouse to host a leadership development event for our Senior Managers. Without doubt this turned out to be one of our most successful leadership events. Although our focus during the event was on strategy execution, we also had a section on 'wellbeing' which is a key part of our people strategy.

The Lifehouse environment provided the perfect opportunity to combine the focus on corporate strategy with health and well-being. The environment, accommodation and food were all fantastic and the helpfulness and customer service provided by all of the Lifehouse team during our stay was exceptional.

We were able to make use of all of the spa facilities and experience the fantastic treatments on offer. It's fair to say it wasn't all fun – the 7am morning run and workout on day 2 was quite a shock for a few of the team!

Our sincere thanks to all of the team at Lifehouse from all of the Senior Managers at Virgin Holidays who had an amazing few days."
