Exercise and Activity Class Descriptions

Alchemy Crystal Sound Bath Meditation - Come along and learn powerful techniques to train your mind and heart. Transform your life to bring in more positivity and light. The Alchemy crystal bowls emit a pure resonance which vibrates through the body bringing balance into the systems.

Apanaveda Yoga - A slow but strong yoga practice, where the breath initiates and inspires all movement.

Aqua - Improve stamina, strength and suppleness with this fun water based class.

Body Conditioning - A Class using compound moves, weights + body weight to tone & condition the whole body.

Core Stability* - A session with a Physiotherapist working on your core stability and posture. This class is for Members only.

Dance Fit - From chart hits, Latin rhythms, classic tunes and everything in between. Fun and energetic, a whole body experience. Golden Dance Fit is more appropriate for those looking for a more gentle class.

Dynamic Vinyasa Flow Yoga - Increase your strength and flexibility with this energetic flowing sequence based class.

Hatha/Vinyasa Yoga - A class for mixed ability practitioners without health restrictions, focusing on strength, flexibility and relaxation.

Hatha Yoga Flow - A full yoga practice that builds core strength and improves posture that encourages mindfulness for overall health and vitality. This class places emphasis on controlled breathing (Pranayama) and posture (Asanas) in a slow flow style of yoga to help you find the space between poses.

Legs, Bums & Tums - Shape up and burn fat as you lunge, step and squat your way to fitness in fun class, using both weights and your own bodyweight.

LBT Pilates Fusion - An Ideal combination to toning and strengthening the legs bums and tum's in combination of light aerobic exercises that focus on revolutionising the classic LBT Fitness infused with classic Pilates exercises

Let's Dance - For all ages and abilities. It works the entire body to develop strength and stamina, while firing up the brain cells. Music old and new to lift your mood and improve your well-being.

Life Cycle / SPIN - Your instructor will guide you through steady up-tempo cadences, sprints, climbs and body positions on your static studio bike to get you fast results.

Lifehouse HIIT - A high intensity workout involving a high number of reps and sets

Meditation - An opportunity to clear and calm the mind for the day, to experience more clarity, ease harmony

Pilates - Pilates is a system of controlled exercises that engage the mind and condition the total body. Tone and strengthen, walk away stronger and taller.

Power Yoga – A class for mixed ability, and an alternative for strength and weight bearing, designed to put you through your paces.

Tai Chi – A Chinese system of internal martial art, its slow meditative movements are aimed at promoting health and happiness, suitable for all ages and abilities, comfortable clothing required,

Rebound Fitness - a cardiovascular workout which burns calories with minimal stress on the body which also helps with the pelvic floor & engages the lymphatic system which is responsible for getting rid of toxins in our body.

Resistance Bands – Your instructor will guide you through a full body workout using resistance bands, followed by a deep stretch. ***Please bring your own band if possible***

Restorative Yoga - Calm your mind, relax your body and restore your energy, with Restorative Yoga

Sculpt & Tone – A top-to-toe workout involving a complete reps using a choice of weights, designed to boost your metabolism and burn body fat. This class varies from week to keep your body on its toes and ensure you continue to condition, tone and sculpt your whole body.

Stretch - Comprehensive stretching programme designed to compliment high impact classes and bring balance to your work out.

Stretch & Flow – Pilates and Yoga fusion class to work the core and stretch the whole body.

Swiss Ball - In this class you will use the large inflatable stability balls to improve your balance, strength and muscle tone.

Total Body Con - Full body conditioning split into upper/lower, cardio and stretch elements.

Total Tone – An all over body conditioning with light weights and high reps to fatigue and over load muscles targeting the total body with emphases on toning and conditions all major muscle groups to increase muscle endurance.

Yin Yoga - A slow-paced style of yoga as exercise with asanas (postures) that are held for longer periods of time—for beginners, it may range from 45 seconds to two minutes; more advanced practitioners may stay in one asana for five minutes or more.

Terms and Conditions

If you are a guest and cannot attend a pre-booked class, please be sure to cancel 24HRS BEFORE the class begins to avoid a full charge.

Note for Pregnant Women - Restorative yoga is suitable for pregnant women. If you have never done yoga before, our other yoga classes will not be suitable. If you were a seasoned practitioner BEFORE pregnancy and are currently taking pregnancy yoga classes, then you may join our other yoga classes providing you are familiar with the recommended poses that are suitable for you during pregnancy.
