Exercise and Activity Class Descriptions

Abs + Stretch – 30 minute class to tone and strengthen abs

Abs + Glutes - A class to strengthen and tone your abdominal area whilst working on your glutes to tone that stubborn area

Aerobics - A fun and vibrant dance class with easy moves performed in repetitive sequences to chart hits old and new

Aqua/Aqua Circuits – Improve stamina, strength and suppleness with this fun water based class.

Barbells – An intensive strength training class that incorporates barbells for a workout that will build muscle and burn fat

Body Conditioning – A Class using compound moves, weights + body weight to tone & condition the whole body.

Core Conditioning – Using a combination of weight and body weight exercises to tone, condition and strengthen the core.

Circuits – Spend 1-2 minutes on a variety of exercise stations each designed to work different muscle groups

Core de force - Cardio and bodyweight moves to help you target stubborn belly fat and tone all over.

Core Stability Circuits – A session with our resident Physiotherapist working on your core stability and posture

Drum 'N' Bass Workout® - A combat, cardio, HIIT training workout to drum and bass music (Pad box with a twist)

Dynamic Vinyasa Flow Yoga – Increase your strength and flexibility with this energetic flowing sequence based class

Hatha Stretch Yoga – Relaxing healthy sustained stretch, ideal for balancing an active lifestyle

Hatha/Vinyasa Flow Yoga – A class for mixed ability practitioners without health restrictions, focusing on strength, flexibility and relaxation

Legs, Bums and Tums– A class focused on the most stubborn areas

Life Cycle – Your instructor will guide you through steady up-tempo cadences, sprints, climbs and body positions on your static studio bike to get you fast results.

Lighthouse HIIT/Insanity® – A high intensity workout involving a high number of reps and sets

Move It, lose It! – A fun and vibrant dance class with easy moves performed in repetitive sequences to chart hits old and new

Mindful Qi Gong - Qi Gong is similar to Tai Chi but easier to learn. Qi Gong uses slow, graceful movements combined with controlled breathing to promote circulation of Qi (energy) within the body to produce a sense of calmness and well-being. Qi Gong is for all ages and loose-fitting clothing and non-slip socks are the only equipment required

Pilates – Pilates is a system of controlled exercises that engage the mind and condition the total body. *A Pilate's induction (£15) must be carried out before taking part in a Pilates class. This is bookable at spa reception & is subject to availability.*

Physio Pilates – is a powerful rehabilitation and body conditioning programme combining the extensive understanding of body biomechanics from the Physiotherapy discipline with the popular exercise routine of Pilates.

Restorative Pilates – Pilates Restorative is a class specifically designed to improve balance and flexibility, as well as assist in rehabilitation from injury or surgery.

Restorative Yoga – A slow, gentle, meditative style of yoga

Star Class – The focus of the class will change each week, giving you an opportunity to try different exercise styles and equipment.

Stretching - Comprehensive stretching programme designed to compliment high impact classes and bring balance to your work out.

Swiss Ball Workout – In this class you will use the large inflatable stability balls to improve your balance, strength and muscle tone.

Tap Dancing – A light-hearted fun class to improve your balance, coordination and work your legs at the same time. No tap shoes necessary, just wear comfortable flat shoes or trainers

Total Body Blitz – A complete body workout to improve stamina covering all main muscle groups

ViPR – Weighted tubes that can be used for both strengthening and cardiovascular exercise, a complete body workout.

Wake Up Workout – A combination of aerobic and strength conditioning exercises to energize you for the day.

Note for pregnant women - Restorative yoga is suitable for pregnant women. If you have never done yoga before, our other yoga classes will not be suitable. If you were a seasoned practitioner BEFORE pregnancy and are currently taking pregnancy yoga classes, then you may join our other yoga classes providing you are familiar with the recommended poses that are suitable for you during pregnancy.
