New members who have access to the gym are required to "sign in" on entering the gym and completing a comprehensive induction process. This involves a health and fitness assessment which covers all aspects of health and wellbeing, from fitness and diet to motivation and lifestyle. Only Lifehouse personal trainers are allowed to train members in our Gym.

Exercise & Activity Timetable

We reserve the right to change our timetable with no prior communication, but will use reasonable endeavours to keep the timetable varied. A number of classes may be led by the leisure and fitness staff. Classes should be booked via our on line booking system or via Spa Reception and up to 7 days in advance. Classes that are pre-booked yet remain unused are a major frustration to those members that were unable to book and we ask that you are mindful of this.

No Member will be designated a specific personal locker. Lockers are for general use and the location and access of lockers may change from time to time. To ensure a satisfactory service for all, random inspections of lockers are permitted. Members must present their Membership ID Cards when they arrive at Main Reception whether you are visiting the restaurant, using the gym or attending a class or having a treatment. You will then be given a membership wrist band to access your locker. Membership ID cards are returned in exchange for your wrist band when you leave the resort. Lost membership cards or wristbands can be replaced for a £5 charge.

All valid members receive a 15% discount when purchasing a treatment and can be used against restaurant food and beverage. Day & Stay Breaks at Best Available Rate (BAR) are available to members. All retail is excluded. The preferential rate/discount is not applicable to Member's Guest(s) but they can apply for a Loyalty Card (T&C's apply).

Treatments

Any treatments cancelled within 12 hours prior or a non attended treatment will be charged at 50% of the cost of the booked treatment. To avoid disappointment, we recommend you book treatments at least two weeks in advance. If your membership category includes treatments, you will need to collect your treatment vouchers from the membership office prior to booking your treatment, they are only redeemable if a membership is valid and are not transferrable.

Guest passes hold the same expiry date as your Membership package. Once a member has used their compliment of guest passes members can purchase additional guest passes (£30) from the main reception you will be required to show your Membership card and complete a Member's Guest Form on arrival. Members may bring up to 4 x guests at any one time without pre-booking. This is allowed as long as the Member is present upon guest arrival. Treatments must be pre-booked by the Member, if your guest departs without payment, you will be liable for any outstanding cost. A Member or guest must not enter Resort without being signed in on our Member system. Unused guest passes are not accrued into the next term of membership.

Suspension (freeze) of Membership

Requests to suspend Membership should be made in writing for the attention of the Membership Manager. Where a member is unable to use any of the facilities (excluding restaurant & treatments) the member can apply in writing to the Manager to have their membership frozen. A member can freeze their membership for a minimum of one month and a maximum of 3 months in a 12 month period at a cost of £30 per month. We do require freeze periods to be either 1, 2 or 3 months.

If a member has paid for their membership annually in advance then the monthly fee is still applicable but the renewal date is changed to reflect the time allocated for suspension. Some membership categories may not permit you to freeze or suspend your membership.

Cancellation and Renewal

After the Initial one month period of membership, a Member may cancel membership by giving one calendar month's notice in writing. The management reserves the right to collect any sums outstanding by Direct Debit or by charging the nominated debit or credit card. Where a renewal of membership has been paid in advance any refund applicable will be calculated as if the Member has been paying on a monthly basis. Upon termination of membership, any monies owed to the Lifehouse relating to subscriptions or treatments or guest passes will automatically be charged to the Member via Direct Debit or to their nominated debit or credit card. Requests should be made in writing for the attention of the Membership Manager and will only be accepted once acknowledged in writing by the Membership Manager. Unless notified, we will continue to deduct the Membership Fee from your account via the direct debit instruction, once in place.

We will not tolerate our staff or other members being verbally abused or intimidated or being physically threatened. If we find this to be the case, we have the right to report you to the police, to ban you immediately and cancel your entire membership. If we receive any complaint about your behavior or if we believe that your membership is not in the interests of other members we have the right to suspend your entire membership.
